Announcements:

Jerry announced that any publication or presentation related to the PEG grant must cite the grant. PI's were asked to send this information to Natasha to be placed on the website.

Natasha will send out an email asking people to review and/or submit changes to the website. Natasha also thanked everyone who participated in the GIG Poster Session. The Poster Session was a big success. A total of 70 people were in attendance. A survey was done afterwards which resulted in a favorable response. On a scale of 1-5 (1 being the best) we scored 1.1-1.2

The Fundamentals in Glycobiology course will be offered August 21, 2012. The plan is to have handouts and an audio available on the web. The lab course will be offered on August 19, 2013.

Presentations

Project 2 and Core C2 presented their progress to the group.

Project 3 and Core C3 will present at the next meeting scheduled for July 11, 2012 at 9:30 a.m. in 612 Physiology Bldg.
